

APPLE MAINTENANCE PLAN

[Click to WhatsApp.us](#)

Keep your Mac fast, updated and hacker-proof

WHY APPLE MAINTENANCE PLAN?

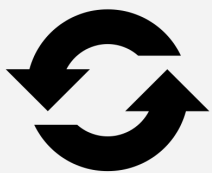

Your Mac is like a car. It needs a regular service before it breaks down.

- No installation of any 3rd party non-Apple software
- Identify & prevent hacking attempts regularly
- Increase Mac lifespan by up to 450%
- Prevent costly hardware & software failures
- No queue's, no fuss
- Limit downtime
- Service your Mac twice a year
